Spring Term Class News

Reception

We loved our Food and Shopping topic, visiting Morrisons making pizzas at Pizza Hut and visiting our local shops.

This term we have learnt lots about plants and flowers. We have planted trees for a new forest garden. We have enjoyed seeing our seeds grow - having a sunflower growing competition and we can't wait for our potatoes to grow.

Year 1

We enjoyed 'Dressing Up' and finding out about clothes in different countries. The trip to St Fagans to see 'Beti Bwt' was really exciting. We celebrated Chinese New Year, making fans, lanterns and dragons; and tasting Chinese food. Yummy!

We have found out about different kinds of 'Transport'. We really enjoyed our trip around Cardiff Bay in the Waterbus!

Year 2 have been taking part in a thinking skills project and loved solving the class mysteries. We have found out about communication and famous inventors. We had great fun celebrating the festival of Holi, marbling, icing biscuits, making patterns and throwing powder paint. We have also made some excellent clay dragons for St David's Day. We also enjoyed our Structures topic, it was amazing and our igloo was incredible!

.....and our Reading, Writing and Maths is getting better every day!

The children have made very pleasing progress this term. We hope they have a well earned rest this holiday!
